

*Congrats*

The word "Congrats" is written in a bold, cursive script. The letters are filled with a vibrant red color, outlined in a bright yellow, and have a thick, dark blue drop shadow that gives the text a three-dimensional appearance. The word is centered horizontally and slightly lower in the frame. Surrounding the text are several decorative elements: a large, jagged zigzag line in red and yellow arches over the top of the word; another similar zigzag line in dark blue and yellow is positioned below the word. Scattered around these lines are numerous stars of varying sizes. Some stars are solid red with dark blue outlines, while others are solid yellow with dark blue outlines. The overall composition is festive and celebratory, set against a plain white background.
